### OVERVIEW

Since 1998, APL has provided outstanding pediatric medical care in Arlington Heights. Our board-certified physicians deliver the quality care your child deserves along with the counsel and “on-time” service you want. Our experienced RNs (registered nurses) are a phone call away for prompt advice and answers to your questions. On-call coverage is provided by our physicians, twenty-four hours a day, seven days a week. Patients enjoy the convenience of our “in-house” pharmacy, APL RxExpress, for prescription and OTC medicine.
